DETAILS

Name of signatory (Mr/Ms)

ID / passport no.

Phone

Signing as: ☐ Parent or legal guardian ☐ Authorised accompanying adult

Child's name

Child's age

Date of activity

Time

The signatory registers the child named above for the kids' buggy activity of Adventure Tours Mallorca S.L. (the "organiser") and accepts the following terms.

TERMS

1 Requirements

Children aged 8 to 14 may take part. The signatory confirms that all details on this form, in particular the child's age and health, are true. The signatory bears the consequences of any false details.

2 Risks of the activity

Buggy driving is an adventure activity. Even when carried out with care, risks cannot be ruled out entirely, in particular bumps, bruises, grazes, strains and the vehicle rolling over. The signatory has been informed of these risks, understands them and accepts them on behalf of the child.

3 Safety briefing

Before the ride, the child receives a safety briefing. The signatory ensures that the child understands it (translating if necessary) and follows the staff's instructions at all times. Driving is only permitted within the area set by the organiser.

4 Safety rules

- The helmet is worn and fastened for the entire ride.
- The seat belt stays fastened for the entire ride.
- Hands stay on the steering wheel or grips. In a rollover, they must never be stretched outside the vehicle or used for support.
- Overtaking, racing, deliberate drifting, hard braking and risky manoeuvres are prohibited.
- At the end of the ride, the engine is switched off immediately and the key handed to the staff.

5 Health and supervision

The signatory confirms that the child has no illness, injury or medication that would rule out participation. The signatory stays on site for the entire activity and supervises the child outside driving time.

6 Refusal and termination

Staff may refuse participation or interrupt or end the ride if safety is at risk, for example if the rules are ignored after a warning (without a warning in case of immediate danger), if the child cannot operate the vehicle safely, or if the details given are false. If the reason lies with the participant, there is no refund. If the organiser cancels for its own reasons (e.g. weather or technical issues), a new date or a full refund is offered.

7 Damage to vehicle and equipment

If the child damages the vehicle or equipment (e.g. the helmet) by breaking the rules or through improper use, the signatory contributes a maximum of €300 per incident. Material defects, normal wear and tear and errors by the organiser are excluded.

8 Damage to third parties

Parents or legal guardians are liable under the law for any damage the child causes to other participants or third parties.

9 Organiser's liability

The organiser is liable in accordance with the law and holds third-party liability insurance. For personal belongings (e.g. phones, glasses, jewellery) it is liable only in cases of intent or gross negligence. If the child has broken the safety rules despite the briefing, this is taken into account as contributory negligence.

10 First aid and emergencies

The signatory consents to the staff giving first aid and calling the emergency services (112) in an emergency.

11 Authorised accompanying adult

If an accompanying adult signs, they confirm that the parents or legal guardians have authorised them to register the child and sign this agreement, and they are responsible for the accuracy of this statement.

12 Data protection

Controller: Adventure Tours Mallorca S.L. (address below). Purpose: identification, carrying out the activity and handling damage and liability claims (Art. 6(1)(b) and (f) GDPR). Data is shared only with insurers, authorities or emergency services where necessary and kept until the statutory limitation periods expire. Rights of access, rectification, erasure, restriction and objection: in writing to the address below; right to complain to the Spanish Data Protection Agency (AEPD).

13 Final provisions

Spanish law applies. If any provision is invalid, the remaining provisions remain valid.

CONFIRMATION AND SIGNATURE

- ☐ The child has received and understood the safety briefing.
- ☐ I have read and understood this agreement and accept it.

Place and date

Signature of parent, guardian or accompanying adult

Staff name and signature

This agreement is for the safety of your child and all participants.
Our shared goal: a safe, fun and unforgettable experience.
